PROFILE: ERIC GRUBB, CCIM

“An accomplished real estate broker, investor, builder, and developer with over 10 years of diversified experience.”

After attending the University of Colorado and ultimately graduating from the University of Iowa in 1999, Eric Grubb returned to the Des Moines area where he was born and raised. He acquired his real estate license in 2003 and quickly obtained his CCIM (Certified Commercial Investment Member) designation in 2005.

A third generation real estate professional, his family has been a leader in Des Moines real estate since his Grandfather, John R. Grubb, bought his first piece of development ground in 1949. Growing up within the industry established a strong foundation of knowledge and contacts, as well as valuable examples of ethics and ambition.

Eric is also co-owner of Newblood Development, a commercial and residential construction/development company with projects throughout the Greater Des Moines area.
